3rd November 2026

Dear Parents and Carers,

As part of our History lessons, we will be learning about families and how they have changed over time. To support our learning, we will be creating a family tree to help the children explore their family history and the special people in their lives.

We would be grateful if you could send in photographs of family members, such as:

- Parents and carers
- Brothers and sisters
- Grandparents
- Other important family members

Please send in copies of photographs where possible, as we will be using them as part of our classroom activity. If you are unable to provide photographs, please do not worry, as we can find an alternative way for your child to take part. Please can these be sent to us by Friday 13Th November.

This activity will help the children develop an understanding of family relationships, generations and their own personal history.

Thank you for your support and for helping to make our History lessons enjoyable and meaningful for the children.
