

Book Organiser– Wild

Year 2

In this book we meet a little girl who has known nothing but nature from birth-she was taught to talk by birds, to eat by bears, and to play by foxes. She is happily wild. That is, until she is snared by some very strange animals that look oddly like her, but they don't talk right, eat right, or play correctly. She's puzzled by their behaviour and where they choose to live: there's no green here, no animals, no trees, no rivers.
